Who are we?

Running Strong for American Indian Youth® is a national nonprofit organization serving American Indian communities throughout the United States. Our mission is to help American Indian families meet their immediate survival needs--food, water and shelter--while identifying and supporting programs to encourage self-sufficiency and self-esteem, particularly for American Indian youth. Working with our National Spokesperson, Olympic Champion Billy Mills, staff in the field, and local community leaders, we are building a new generation of leaders from today's Indian youth.
